

LETTERS FROM PARENTS

Dear Rick and Scott,

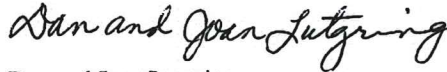

Joan and I would like to take this opportunity to thank you both for including our son, Scott, on the Green Wave basketball team for the 2000 and 2001 seasons. What an experience it has been! You coached his team to the state championship in 2000 as seventh graders and state finalists in 2001 as eighth graders. How many kids get that opportunity in a lifetime? The ten young men on the 2001 Green Wave team all were selected to either the freshman or reserve teams at Roncalli High School for the 2001-02 season. What a tribute to your coaching ability, style, professionalism, and teaching methods!

We recognize and greatly appreciate the hard work and countless hours that you spent working on skills, drills, and game preparation. You invested so much of your personal time organizing practices, games, compiling stats, reviewing game video, and updating the Green Wave Basketball web site. I know the players enjoyed it all. The games. The tournaments. The end of season pizza party. The highlight video.

With this kind of select team, it takes great commitment from the players, parents, and coaches alike. It was a commitment that paid tremendous dividends for Scott and his teammates to be afforded the opportunity to play together before attending Roncalli High School. We would not hesitate to make this commitment again and would greatly encourage others to do the same.

We would be honored to be included as references to any potential players and their parents. Good luck and thank you!

Yours truly,

Dan and Joan Lutgring

Green Wave

Our family experience with Green Wave basketball in 2000 and 2001 was extremely positive.

The coaches were knowledgeable and positive with the players. We had numerous games against the best competition.

This program will help develop the best basketball players from CYO for their highschool career.

Winning the State championship was an accomplishment the 2000 Green Wave players will always remember.

My sincere thanks to the Green Wave coaches for all their time and hard work with my son. They made him a much better player and gave him the confidence of a champion.

Sincerely yours,

Tom Kuntz
